

WeTrack Partnership Pledge

This public policy sets out the responsibilities of WeTrack Software Ltd. (WeTrack) in relation to partnership agreements signed with other Parties, for the benefit of each Party and the clients for which each Party provides or will provide services.

1. Competition in the Industry:

- 1.1. WeTrack is committed to conducting business in an ethical, honest and fair manner, for the benefit of the industry and the clients with which WeTrack and their partners work.
- 1.2. There will naturally be competition within the industry, and WeTrack might commence partnership agreements with Parties that are competitors with previous or existing partners of WeTrack.
- 1.3. WeTrack pledge that all referrals to clients by WeTrack will be based on relevance and value to the client, rather than on any other reason such as previous relationship, length of partnership, etc.
- 1.4. With the above points in mind:

2. WeTrack pledges to:

- 2.1. Never refer one company over another based on commercial terms;
- 2.2. Introduce all partners that we think can provide the relevant service to the client;
- 2.3. In this way uphold our reputation as a fair and neutral provider and integrator of systems and services.
